Hermosa Beach Friends of the Parks**

Lots of Volunteers and Lots of New Plants

The Money Shot

Expect the Unexpected

Second Saturday Volunteers

Start 8-8:30am (early arrival = parking place)

General Tasks: weeding & watering

Contact: Betty – bestarr555@gmail.com

Future Rock Garden

Lessons We've Learned

- Maintenance is just as important as putting plants in the ground
- It can take months to get watering schedule perfected
- Something will come up to throw off your schedule
- Get volunteers to help with maintenance
- Plants that are “highly recommended” are first ones to fail
- Spring comes, everything is in bloom and you realize, this is totally worth it
